Feedback from parents:

- WEINS is the best start we could have asked for, for our boy. We are just sad he has to move on but the help and skills he has gained from WEINS means he will be in good stead for his future

## Results of Parent questionnaire 2023

- I really like school because you give my son good support.
- I've been nothing but impressed
- All looks good to me!!
- G is happy to be there since day one, the teachers r so patient with her, helped us settle her in well, all that I worries didn't happen at all, we r really really appreciate. No matter what problem we got with her, when we told teacher they always do their best to help us, they r the kindest teacher I've ever know, I wish Garcie can stay there next year as well, it will be so disappointing if we can't
- Just keep going well pls
- I find the music played on Fridays during entrance has a massive positive effect. Usually on this day Albie is more relaxed I've noticed.
- As this is my daughter first schooling I am really happy with this school ,I can see the progress on her , at the moment nothing to say to improve ,well done keep it up.
- A little bit longer drop off time window as we are walking to school and it's more difficult to fit in 10 min window 9.35-9.45. Possible but more tense as kids are kids and their getting ready and walking pace differs. I loved last year's 20 min drop off window. Loving new head teacher, definitely school feels more alive and socialised now.
- Amazing school with amazing teachers! Both of my children have loved being pupils here and have thrived being supported by the most kind, caring and compassionate teachers. I would love to keep them here forever!
- L is really happy at school and has been throughout his time here, keep it up! :)
- This school has helped me in so many ways and are fantastic in every way possible the head teacher Mrs Hunter is so supportive and goes out of her way to help parents and children at the school also all of the staff are always friendly helpful kind but most of all are outstanding teachers ❤️
- This school has an 'above and beyond' mentality!
- We have nearly two weeks experience up till now we do not have any further feedback. Absolutely, we will get back to you afterwards.

What are we doing about it?
